Dear Parent:

Re: Emergency or Short-Term Loan Parent Agreement

Your student has applied for an Emergency or Short-Term loan with the UC Davis Financial Aid and Scholarships office and has listed you as their source of repayment. Before we can approve this loan, we must ensure that you have agreed to assist your student with repaying this loan and that you both understand the potential implications for your student if the loan is not repaid on time.

Please note that Emergency or Short-Term loans are due in 30 calendar days from the date the student completes the loan documents at our office. If a late payment is made, holds may be placed on registration, transcripts, and/or diplomas of the borrower. Students may also be ineligible for future Emergency, Short-Term or Assistant loans due to a poor repayment record and/or could be dropped from classes for an unpaid loan. A delinquent Emergency or Short-Term loan could affect a student's credit rating if it is sent to collections for non-payment.

Please review the loan repayment terms and conditions with your student. If you and your student agree to proceed with the loan, complete the bottom portion of this form and have your student return it to our office. Please note that providing false or misleading information on this form is considered fraud and may be subject to available penalties, including disciplinary actions and/or fines.

Thank you for your understanding and cooperation as we work to ensure that your student makes good financial decisions while at UC Davis.

Sincerely,

UC Davis Financial Aid and Scholarships
